

A Description of the Baby Signs® Resources

(This document does NOT contain a description of our entire product range but will help you better understand the resources that we carry and what you may need at a particular point in time)

Introduction

We offer a full line of exciting Resources to facilitate the entire learning process and enhance your baby's signing experience. Books, DVD's, and other resources make learning signs fun and easy for both the new and experienced signing families.

New to Signing? Start here...

If you are new to signing, we recommend that you purchase either the **Parent Kit** or the **Complete Starter Kit**. Both these resources aim to help you successfully use the Baby Signs® Program at home and give you step-by-step guidance on how to sign with your baby.

To learn more about the **Parent Kit** and the **Complete Starter Kit**, please visit our website.

When you sign up for our **Baby Signs® Parent Workshop**, you will receive either Kit of your choice as part of the Workshop Fee.
Please click on the 'Workshops & Classes' tab found on our website for more information.

Moving On... Additional Resources for you and your child
